

CHU QUỐC TUẤN

AUDIT & ASSURANCE

CAREER OBJECTIVES

I aim to develop my career in the field of Audit and Assurance, particularly in a professional and highly disciplined environment. Over the next 3 to 6 months, I plan to strengthen my knowledge of accounting and auditing standards, assurance procedures, and data analysis skills to support effective risk assessment and audit execution. In the next 3 to 6 years, my goal is to become a professional with deep expertise in the finance and audit industry, capable of delivering accurate and reliable assurance services, upholding ethical standards, and contributing to the organization's commitment to transparency and financial integrity.
